

**Fabricators & Designers of Marine Tanks,
Custom Stainless Steel & Aluminum Accessories.**

Best Fabrications, Inc. –Limited Warranty Policy for Pipework and Custom Stainless Steel and Aluminum Accessories

Best Fabrications, Inc. offers a two-year structural warranty on all aluminum and stainless steel pipework and custom accessories. All finishes applied at Best Fabrications, Inc. to any pipework or custom fabricated pieces are warranted against defects for a period of one year. *The warranty period begins at the date of original invoice.* In situations where this warranty applies, Best Fabrications will, at its option, repair or replace the defective product.

The express, written authorization of Best Fabrications, Inc. is required for all warranty claims.

Best Fabrications, Inc. does not warranty or guarantee accessories or components supplied with our fabricated products, since they are not of our manufacture. Any and all installed electronic components are covered by their own manufacturer's warranty only. Best Fabrications *cannot be held responsible* for any costs or damages incurred by the customer during removal and/or repair of any defective part, as all Best Fabrications, Inc. custom-fabricated pieces are sold as a single unit and warranted as such. If such damages occur, and it is determined to be a *direct* result of defective Best Fabrications, Inc. manufacture, Best Fabrications will review the facts and may negotiate these damages *on a case-by-case basis*. In any such event, Best Fabrications, Inc. must be immediately notified of any potential warranty claim, and must give written authorization before any attempt to modify, remove, or otherwise repair is made.

Any removal, repair, modification, or other tampering of any aluminum or stainless steel fabricated piece that may be subject to this warranty, prior to the express written notification of Best Fabrications, Inc., will cause this warranty to be void.

This warranty is void if product damage or failure results from, or is attributed to, improper or faulty installation, product misuse or abuse, modifications not pre-authorized by Best Fabrications, Inc., corrosion, accidents, or questionable inspection, removal, and/or replacement procedures. *This warranty does not cover failure attributed to, or suspected to be caused by, Acts of War, Acts of Terrorism, Domestic Disturbance, or Vandalism.*
